## MANAGEMENT DISCUSSION AND ANALYSIS

### India Economy Overview

The growth moderation for India in FY 2023 is premised on an ongoing global economic slowdown, tight monetary conditions, and elevated oil prices. However, FY 2024 is expected to see faster growth in investment, thanks to supportive government policies and sound macroeconomic fundamentals, lower nonperforming loans in banks, and significant corporate deleveraging that will enhance bank lending.

“Despite the global slowdown, India’s economic growth rate is stronger than in many peer economies and reflects relatively robust domestic consumption and lesser dependence on global demand,”. “The Government of India’s strong infrastructure push under the Prime Minister’s Gati Shakti (National Master Plan for Multimodal Connectivity) initiative, logistics development, and industrial corridor development will contribute significantly to raising industrial competitiveness and boosting future growth.”

Improving labour market conditions and consumer confidence will drive growth in private consumption. The central government’s commitment to significantly increase capital expenditure in FY 2023, despite targeting a lower fiscal deficit of 5.9% of GDP, will also spur demand. Helped by recovery in tourism and other contact services, the services sector will grow strongly in FY 2023 and FY 2024 as the impact of COVID-19 wanes. However, manufacturing growth in FY 2023 is expected to be tamped down by a weak global demand, but it will likely improve in FY 2024. Recent announcements to boost agricultural productivity, such as setting up digital services for crop planning and support for agriculture startups will be important in sustaining agriculture growth in the medium term.

Inflation will likely moderate to 5% in FY 2023, assuming moderation in oil and food prices, and slow further to 4.5% in FY 2024 as inflationary pressures subside. In tandem, monetary policy in FY 2023 is expected to be tighter as core inflation persists, while becoming more accommodative in FY 2024. The current account deficit is projected to decline to 2.2% of GDP in FY 2023 and 1.9% in FY 2024. Growth in goods exports is forecast to moderate in FY 2023 before improving in 2024, as production-linked incentive schemes and efforts to improve the business environment, such as streamlined labor regulations, improve performance in electronics and other areas of manufacturing growth. Services exports growth has been robust and is expected to continue to strengthen India’s overall balance of payments position.

However, geopolitical tensions and weather-related shocks are key risks to India’s economic outlook.

### Indian Logistics Industry Overview

India is ranked as the 7th largest global market, with a value of over \$250 billion in FY 2021, for the logistics industry by World Bank. It is estimated that this industry would reach 380 billion dollars in 2025, with a growth trajectory of 10 to 12 percent CAGR.

Logistics in India is an integral part of any economy as it helps in the effective movement of goods and services from one place to another. In India, the logistics sector has played a crucial role in the growth and development of the country’s economy. The logistics sector in India has grown rapidly in the last decade, and it is estimated to be worth \$215 billion by 2020.

The contribution of the logistics sector to India’s GDP has been significant in recent years. In 2019, the logistics sector contributed 13.5% to India’s GDP, which is expected to grow to 15% by 2025.

The logistics sector is also a major contributor to foreign trade as it enables the smooth movement of goods across borders. India’s logistics sector is responsible for handling around 95% of India’s total trade by volume and 70% by value.

The logistics sector is also a significant employment generator in India. It employs around 22 million people, which is expected to grow to 40 million by 2030. The logistics sector is not only creating direct job opportunities but also providing indirect employment opportunities, particularly in the transport and warehousing sectors.

## **Challenges**

### **Increasing transportation costs**

While the Russia-Ukraine conflict has triggered the recent volatility in fuel prices, transportation costs have increased over the last few years. Several trucking businesses predict that the rates of annual contracts will rise by double digits this year because of strained capacity.

In addition, Europe suffers from a short supply of heavy goods vehicle drivers, with a shortage of around 400,000 throughout their land. Similarly, road transportation rates have increased by 23% in the US amidst rising freight spending and increased input costs for logistics players. In sum, transportation costs are going up univocally across the globe.

### **Inconsistencies in tracking**

Despite the benefits of IoT, many brands continue to follow manual tracking processes. Using spreadsheets and multiple software for the same activity decreases workforce productivity and reduces efficiency.

### **Empty miles**

Empty miles, also known as non-revenue miles, have plagued the logistics industry for years. They lead to unnecessary cost increases, adverse environmental impacts, and negatively affect the efficiency of both carriers and shippers..

### **Fragmented communication**

A logistics supply chain begins with manufacturing and ends with the final product getting delivered to the customer. Unfortunately, OEMs often suffer from a lack of an integrated communication channel. This deficiency leads to fragmented communication that adversely impacts delivery times and efficiency.

### **Delivery delays**

The spiraling effect of the pandemic caused factories to shut down and led to a series of labor-shortage-related issues. In addition, they have siloed and fragmented legacy processes that negatively impact the delivery times.

## **Opportunities & Emerging trends**

### **Supply Chain Agility**

Business occurs faster than ever due to the constant rollout of technological advances. Companies and their supply chains must be nimble if they wish to remain or become competitive in today's digital environment. To achieve supply chain agility, logistics companies can harness the power of self-managed onboarding, as well as change and exception management.

Self-managed services give direct, hands-on control to businesses, rather than relying on outside entities to complete tasks.

### **Embrace Complexity Through Automation**

Automation is a key resource for modern businesses since it reduces costs and increases efficiencies, plus it frees your staff to do other, more productive activities. Logistics companies can harness the power of automation by implementing end-to-end integrations between backend WMS/ERP systems and the many eCommerce solutions that are growing in popularity.

As companies continue to implement more platforms and systems into their business processes, there is more data than ever to collect. Data is extremely useful when making business decisions. However, the increase in

applications and /or platforms also means the data is spread across various locations. This requires users to hop between software solutions to find and compile data, which is a time-consuming and tedious process. Data collection is also error-prone since a human is manually sourcing it.

### **Supply Chain Transparency and Collaboration Mandate**

Logistics companies work with countless moving parts daily. Real-time visibility into supply chains is essential for logistics companies to stay organized and manage their business. One way for them to achieve this is through integrating their EDI and APIs.

When integration is done right, EDI and APIs work together to provide better supply chain visibility and can even help with onboarding. API integration gives deeper insight into B2B integrations within your digital ecosystem, while EDI helps start and orchestrate business processes.

### **Less Than Truckload (LTL) Demand**

With the rise in e Commerce popularity and the demand for faster shipping, logistics companies are being asked to make smaller shipments more frequently. This is because companies do not have time to wait until they have enough orders to fill up an entire carrier. One solution is LTL, also known as less than truckload. With this method, multiple smaller orders from various companies are placed on one carrier—creating a full load with numerous delivery stops.

### **Discussion on Financial Performance with respect to Operational Performance**

The key strategy of the Company will be focused around:

1. Timely completion of Project
2. Financial strength & liquidity
3. Professional Management

During the year under review, the Company registered total revenue of Rs. 59,90,48,381 as compared to Rs.47,07,14,235 for the previous year and Profit before tax of Rs. 4,85,40,163 for the year under review as compared to Profit of Rs. 6,77,980 for the previous year.

### **Material Developments Human Resources / Industrial Relations**

The Company has cordial relation with the employees of the company. The staff has the depth of experience and skills to handle company's activities. Skilled team of workers and other professionals ensure superior quality standards during every stage of work. The total employee strength as on March 31, 2023 was 58.

### **Internal Control System and their Adequacy**

The Management of the Company is committed to ensuring effective internal control systems commensurate with the size and the complexity of the business. The Company has established adequate and effective internal controls to achieve its compliance and reporting objectives. The controls are deployed through various policies and procedures. These policies and procedures are periodically revisited to ensure that they remain updated with the changes in the business environment. Policies and processes are regularly tested by internal and statutory auditors. Suggestions to further strengthen policies and processes or to make them more effective are shared with respective process owners and changes are made.

The Company continues to invest in various IT initiatives to automate controls to the extent possible, in order to minimise errors and lapses. The Audit Committee reviews the adequacy and effectiveness of the Company's internal control environment and monitors the implementation of audit recommendations.

### **Cautionary Statement**

The statements made in this report describing the Company's objectives, projections, estimates and expectations, may constitute 'forward-looking statements' within the meaning of applicable laws and regulations. Although the expectations are based on reasonable assumptions, the actual results might differ.

#### **INFORMATION AND INSTRUCTIONS RELATING TO E-VOTING**

In compliance with Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, and Section 108 of the Companies Act, 2013, read with the related Rules, the Company is pleased to provide e-voting facility to all its members, to enable them to cast their votes electronically. The Company has engaged the services of **Central Depository Services Limited (CDSL)** for the purpose of providing e-voting facility to all its members.

The e-Voting facility is available at the link [www.evotingindia.com](http://www.evotingindia.com).

(i) The voting period begins on Monday, 25th September, 2023 at 09:30 A.M. and ends on Wednesday, 27th September, 2023 at 05:00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Wednesday, 20<sup>th</sup> September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards on Auditing are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the following matters as Key audit Matters to be communicated in our report:

Key Audit Matter	Auditor's Response
Revenue recognition and measurement including related cost of rendering of services involves critical judgments by management including assessment of when the control of goods or services are being transferred, identifying large variety of complex performance obligations and determining if such obligations are satisfied over a period of time. (Refer Note No. 19 & 21 to the financial statements)	Our audit approach includes but were not limited to the following: <ul style="list-style-type: none"> <li>•Testing the design and operating effectiveness of the internal controls associated with contracts with customers/vendors</li> <li>•Testing the information technology systems related to consignment notes trip data and billing.</li> <li>•Analyzing contracts with customers/vendors from selected samples</li> <li>•Analyzing invoices with customers/vendors from selected samples</li> <li>•Reviewing the logic designed in preparation of consignment notes, bill registers, lorry hire contracts</li> <li>•Reviewing the report of Internal Auditors</li> </ul>

## Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether other information is materially inconsistent with standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a no material misstatement of this other information; we are required to report the fact. We have nothing to report in this regard.

## Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the

financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's responsibility for the Audit of Financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## **Annexure B to the Independent Auditors' Report**

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

**(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)**

We have audited the internal financial controls over financial reporting of ROADWAYS INDIA LTD. ("the Company") as at 31<sup>st</sup> March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding their liability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

## NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

**1. SIGNIFICANT ACCOUNTING POLICIES****a) Basis of Preparation of Financial Statements**

The financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in India and to comply with all material respect with the accounting standards notified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rule, 2014 / Companies Act, 1956 as applicable.

**b) Accounting Convention**

The financial statements are prepared on historical cost convention and materiality and as a going concern.

**c) Use of Estimates**

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements and the reported amount of revenue and expenses during the reported period. Difference between the actual results and estimates are recognized in the period in which the results are known and materialized.

**d) Recognition of Income and Expenditure****i) Freight**

The company accounts for freight income as soon as bill is raised on receipt of acknowledgement of delivery of the goods from the consignee and accounts for freight expenses when the hired vehicle starts towards its destination. Having regard to the size of the company and nature of its business and in the management's opinion, it is a reasonable basis of applying the accrual basis of accounting.

**ii) Other Income and Expenditure:**

- Other items of income and expenditure are recognised on accrual basis, the accounting policies are consistent with the generally accepted accounting principles.
- Dividend Income on investment is recognised when the right to receive the payment is established.

**e) Fixed Assets**

Fixed Assets are stated at cost less Depreciation. Cost includes all cost incidental to acquisition, installation, commissioning.

**f) Leased Assets**

Leased assets are stated at premium paid on such assets. Rentals, if any, are expensed with reference to the lease terms and other conditions.

**g) Depreciation and Amortization**

- Depreciation on fixed assets have been provided on straight line method at the rates prescribed in Schedule II to the Companies Act, 2013 (except in the case of leasehold assets which have been amortised over the period of the lease).
- Depreciation on the assets added/disposed off during the year has been provided on prorata basis with reference to the month of addition/disposal.
- Cost of leasehold land and leasehold building are amortised over the period of the lease.

**h) Impairment of Assets**

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. An impairment loss is charged to the Statement of Profit and Loss in the year in which the asset is identified as impaired. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the statement of Profit and Loss.

i) **Contingent Liabilities**

Contingent Liabilities as defined in IND AS 37 on "Provisions, Contingent Liabilities and Contingent Assets" are disclosed by way of notes to the accounts. Provision is made if it is probable that an outflow of future economic benefits will be required for an items previously dealt with as a contingent liability.

j) **Investments**

- Investments are classified into Current and Long-term Investments in accordance with IND AS 40 on "Investment Property".
- Current Investments are stated at lower of cost and fair value. Any reduction in the carrying amount and any reversals of such reductions are charged or credited to the Profit and Loss Account.
- Long term investments are stated at cost. Provision is made to recognise a decline in the value of investments, other than temporary, in opinion of the management.

k) **Employee Benefits**

Employee Benefits consists of Provident Fund, Gratuity Fund, Compensated Expenses.

(i) Short term employee benefits are recognised as an expense of the undiscounted amount in the Profit and Loss Account of the year in which the related service is rendered.

(ii) Liability for leave encashment is accounted for in accordance with rules of the company and charged to revenue.

(iii) Post Employment Benefits

**1. Defined Contribution Plans**

Company's contribution to the State Governed Provident Fund Scheme is recognised during the year in which the related service is rendered.

**2. Defined Benefit Plan**

- The company operates gratuity plan wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on termination of service or retirement whichever is earlier. The benefit vests after five years of continuous service.
- The cost of providing benefit of Gratuity is determined based on an actuarial valuation using the Projected Credit Method at each Balance Sheet date. Actuarial gains and losses arising on such valuation are recognised in the Profit & Loss Account for the period in which they occur.

l) **Taxation**

- Tax expense for the year comprising current tax and deferred tax is included in determining the net profit for the year.
- A provision is made for the current tax based on tax liability computed in accordance with relevant tax rates and tax laws. A provision is made for deferred tax for all timing differences arising between taxable income and accounting income at currently enacted tax rates.
- Deferred tax assets are recognised only if there is reasonable certainty that they will be realised and are reviewed for the appropriateness of their respective carrying values at each Balance Sheet date.

m) **Events occurring after Balance Sheet Date**

Events occurring after the balance sheet date have been considered in the preparation of financial statements.

n) **Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non - cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. Cash and cash equivalents for the purposes of Cash Flow Statement comprises cash on hand, demand deposits with banks that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value and cash in transit.

o) **Earning Per Share**

- Basic earnings per share is computed by dividing the net profit or loss after tax for the year by the weighted average number of equity shares outstanding during the year.
- Diluted earnings per share is computed by dividing the net profit or loss after tax for the year adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares by the weighted average number of equity shares outstanding during the year adjusted for the effects of all dilutive potential equity shares.
